RSLWA

ABOUT RSLWA

RSL in WA was founded in 1916 to provide comradeship and support to Veterans and their families. This core mission has never changed and has continued to evolve to meet the changing needs of each generation.

RSLWA advocates for the best possible conditions for our serving and ex-serving men and women in recognition of their service to the nation. We are Western Australia's primary provider of wellbeing, welfare, advocacy, transition, employment and commemoration support.

Within our new ANZAC House, RSLWA has established Veteran Central, the first of its kind in Australia service facility specialising in Veterans and their families.

The Veteran Central model ensures simplified and streamlined access to a range of important and relevant services, provided by a host of Veteran Service Providers including government agencies, medical and dental specialists, mental health professionals, hearing experts and legal, advocacy, financial and counselling providers all in one location.

Many of the services are also available to the Veteran's immediate family.

EVENT AIM

Our aim is to raise much-needed funds so that RSLWA can continue to deliver more services and better support. We do this while standing shoulder to shoulder with our ex-service men and women by working with other ex-service organisations.

We are seeking event sponsors who support what RSLWA stands for and who will help in creating a positive impact in the community by raising their own public profile.

We appreciate your time and consideration of this proposal and hope you can join us in the RSLWA Charity Golf Day. All proceeds from this event go to RSLWA and direct to Veteran's needs.

To help us spread our words, please share this proposal with any colleagues or connections you think may enjoy a round of golf on a gorgeous autumn day. The bonus is, you'll be supporting WA Veterans and their families in their hour of need.

WHAT YOUR SUPPORT CAN DO FOR VETERANS

- \$3,000 will provide security bond and rent in advance to get a homeless veteran into stable accommodation
- \$2500 will enable a veteran to gain a Cert IV to help them return to the workforce
- \$2,000 will provide a basic household furniture package
- \$1,500 will provide a basic white goods package
- \$500 will provide twelve months car registration
- \$250 will provide five nights crisis accommodation
- \$50 will help a veteran dress for career success to go from uniform to the corporate world.
